By Road from the North via the M5 Motorway

Leave Motorway at Junction 13 (Stroud) Take A419 westwards for ½ mile to A38. Take first exit from the roundabout (signposted A38 Bristol). Continue for 3.5 miles to Slimbridge roundabout. Leave the A38 here by the first exit (signposted A4135 Dursley). Follow this road for 2.5 miles to the outskirts of Dursley (at roundabouts follow signs A4135 Dursley). As you enter the town (just after the roundabout with the Police Station to the left) you will see the Dursley Town boundary sign and the entrance to Rednock School lies 0.4 miles further in towards the town centre, on the left hand side. You will pass the Fire station (also on the left hand side) about 150 yards before you reach the school.

By Road from the South via the M5 Motorway

Leave Motorway at Junction 14 (Falfield) Take B4509 westwards for 0.2 miles to A38. Turn right (signposted A38 Gloucester) at traffic lights. Continue for 5.1 miles to Berkeley Road and the junction with the B4066 road at the Prince of Wales inn. Leave the A38 and take the B4066 (signposted Dursley). Follow this road for 2.5 miles to the outskirts of Dursley (at roundabouts follow signs B4066 to Dursley). Here at the roundabout with the Police Station directly opposite take the second exit (signposted A4135 Dursley) and follow the above instructions for travelling from the north for the final 0.4 miles to Rednock School.

By Rail to Cam & Dursley Station (2.4 miles from Rednock School).

A bus service runs between Dursley and the station connecting with most trains.

Gloucestershire Society for Industrial Archaeology

47th South Wales & West of England Regional Industrial Archaeology Conference. Saturday 16 April 2016

Rednock School, Kingshill Rd, Dursley, Gloucestershire GL11 4BY

GSIA looks forward to hosting the 2016 Conference. We have secured what we think are excellent facilities at the recently rebuilt Rednock School on the outskirts of Dursley and easily accessible from the M5. There is ample parking on site (travel directions are given overleaf). The conference will be held in the Main Hall of the school. There is ample space for Society displays. The meeting will be opened at 10.00 am with registration and coffee from 9.15 am.

The programme will include the following:

The Restoration of the Cotswold Canals

Ken Burgin (Chief Executive, Cotswolds Canals Trust)

Cast Iron Lamp Posts in Clifton and Hotwells, Bristol

Maggie Shapland BEM (BIAS)

Watkin George and the Pontypool Aqueduct

Malcolm Johnson & Lionel Milsom Oxford House IAS)

Scout Motors of Salisbury 1902-1921

Jim Watkinson (SWIAS)

Listers of Dursley: History and the GSIA Project

David Evans & Frank Colls (GSIA)

Worlds apart: the West Country stone quarries of George Harris in 1893 and 2015

Dr Peter Stanier (Dorset IAS)

The programme will end at around 4.30 pm. Immediately after the event GSIA members will lead short field visits in the area. Please indicate on the booking form if you are intending to come on a field visit (for which you will require your own transport.)

Cost £18. This includes morning coffee, buffet lunch and afternoon tea. A vegetarian meal is available if ordered in advance. Space and tables for Society displays are available on request (These must be booked by 31 March 2016 with full details of your requirements).

Telephone GSIA Chairman Alan Strickland (01285 885734) or GSIA Secretary Ray Wilson (01453 860595) if you have any queries. (e-mail: conference@gsia.org.uk)
